Dr Sullivan's New Part-time Job

Some of you many know and others may not, but I'd like to make sure that everyone knows that I have reduced my time working in the practice at Bentham and Ingleton to two days a week. The reason for the change is that I have been offered a post at the NHS Information Centre as National Clinical Lead for Primary Care. I started working there three days a week in January. The Information Centre is an NHS body that is England's central source of health and social care information that can help local NHS organizations like GP practices and hospitals improve the quality of patient care. My role is to be clinical adviser to the Information Centre, to help make sure that the services and information that the Centre provides

for General Practice are well designed.

I have been lucky enough to have thoroughly enjoyed my 25 years with Bentham Medical Practice, and in some ways it feels strange to be dividing my time. For many years I have been interested and involved in developing the use of computer data for patient care, so I am very excited about having the opportunity to take on this second medical role.

For the first few months Dr Arun Salvamani is covering my surgeries and in the summer the practice plans to appoint a permanent replacement but I will continue at the practice on Mondays and Fridays.

Yours sincerely
Ralph Sullivan

Wray Fair and Festival - update

The preparations went well, the weather played ball and the visitors turned up in their thousands! It will therefore come as no surprise that this year's event was a huge success and not just in terms of the funds raised. Many visitors commented on how much they enjoyed their day out and that there was a great atmosphere. It may be some time before we know precisely how much we raised for the Institute but we have a provisional figure in the region of £15,000. This is a fantastic achievement and does not include funds raised by other groups throughout the festivities from which many of us also benefit.

Thank you to EVERYONE for tolerating this brief disruption to our usually quiet and peaceful village and especially to all those who helped out in countless ways. As the tranquillity returns to our lives, the proceeds will continue to contribute to our community throughout the year.

THANK YOU

The Wray Scarecrow Festival and Fair Committee.

The Chairman and Members of the Wray Village Institute Committee wish to thank the members of the **Wray Fair Committee** for their superb organisation and presentation of the Scarecrow Festival and Fair. The whole ten days of the event was a brilliant success.

Thanks must also be extended to the host of volunteers who carried out a multitude of tasks in support of the Committee, thus ensuring the smooth running of the whole event.

Judith Wrigley (Secretary) for and on behalf of the Wray Village Institute Committee.

The contact number for Wray Institute is 015242 22311. The caretaker is Frank Gretton.,

Wray Scarecrow Festival - A big thanks to all who helped with the Ball Race on Sunday 2nd May, and all who assisted with setting the field up on Saturday 1st May in the rain.

Big thanks to Andy who helped me with all the stall holders on May 3rd Fair Day.

Thanks to you all, Frank G. Vice-Chairperson

Thank you to everyone for their cards, prayers, good wishes, flowers and offers of help following the sudden death of my father. It has helped me to know we have been in your thoughts. My mother is now slowly mending following her fall and with a bit of luck will be out of the wheelchair and using a walking stick or crutches by the time you read this.

Thanks once more, Deborah Perrins and Family.

John and Phyllis Holt thank you for all your support and good wishes during their recent problems. They are most grateful and glad to report that John is making good progress.

Terry, Dolly and family would like to thank everyone for all their help and generosity during Dolly's recent stay in hospital.

You have overwhelmed us.

Many thanks.

John Millington

I would like to express my thanks to those kind friends and neighbours who attended John's funeral and all those who sent cards and letters after hearing of his sudden death. Your words and support have been much appreciated at this difficult time.

Fondest regards,

Tracey

The recent House to House Collection for N.S.P.C.C. in Wray and Millhouses realised £140.40. Thank you to all who contributed.

Recycling Scheme at Tatham Fells School

Tatham Fells School is running an exciting new recycling scheme, in line with our bid to become a recognised ECO School. We are currently collecting old mobile phones, ink cartridges (all makes except Epson) and old CDs, DVDs and computer games. All of these items can be exchanged to raise money for our school and some ink cartridges and mobiles may be worth up to £30! All CDs, DVDs and computer games must come in their original box with the relevant barcode still attached. Discs are sold on and recycled, ink cartridges are re-filled and mobile phone parts are re-used. This has to be better than the landfill and also raises valuable funds. Please do support us if you can and please do spread the word that we are collecting. All of the above items may be dropped in the box situated in the main entrance at school. Alternatively we would be happy to collect items from you. If you require collection, please contact school on 015242 61441 or bursar@tathamfells.lancs.sch.uk

Church News

Revd Mark Cannon writes:

Hello, my name is Mark, and I have just been “launched” as the new priest in Leck, Melling, Tatham, Tatham Fells, Tunstall and Wray. As soon as the vicarage at Wray is ready we will be moving up from Brndle (no one knows where that village is).

We hope to be here by the end of May. We've been doing a fair bit of decorating in advance so if you've seen a portly middle-aged chap covered in Dulux, then we have already met.

I am married to Heidi and we have three children, who now and then pop back to wake us up with their tales of big city life in Leeds, Manchester and Sheffield. Heidi and I lived next-door (almost) to each other as teenagers in Bradford and have spent most of our lives in the North. Durham, Skipton, Bradford, and Coniston have all been homes up to now. Although the C of E has been a lifelong cause of passion and devotion, I also get excited by Bradford City, Yorkshire County Cricket Club, and other "white rose" items.

I currently work from Monday to Friday for a firm of solicitors in Morecambe called Birchall Blackburn who took over Clarkson Penhale. I specialise in wills, probate, and trusts.

You won't see much of me in the day (although I am let out for funerals, weddings etc) but I will be around at weekends, and on Sunday mornings I shall most probably be found in one or two of the six churches.

PS. My former parish has challenged me to raise a team of stout-hearted cricketers, any takers?

PPS No cricketing talent required.

PPPS Do we have a pitch anywhere near?

Plant sale and open garden 15 May, Bellhurst, Roeburndale

Many, many thanks to all who supported our fund raiser this year we raised an amazing £1,100 to be divided between the ophthalmic department RLI and the Galloways Centre for the Blind and Partially Sighted. Special thanks to all who helped on the day: Charlotte, Ruth, Linda, Yvonne, Joanne, Helana and Alyssa for helping with the plants; Mavis and Janet in the catering department and Jean for helping with the publicity also John and April Towers for donating the milk and cream.

We have decided that this will have to be our last May plant sale as the growing of the plants is just too much for one person. However this does not mean that we will never open the garden again.

Over the past three years we have raised with your support just over £4,000 all for local good causes. So we thank all who have supported us.
