In the autumn of 2018, at the Church of the Good Shepherd, Tatham Fells, a small working group began considering ways to develop the churchyard's environment. The plan is to future proof and encourage even more wildlife, birds, reptiles, insects, plant species, etc. This is especially important with rapid climate change, habitat loss and species decline. This is a long term

work in progress - "tweaking what is already there.

We have joined the charity "Caring for God's Acre". Several years ago they initiated "Love Your Burial Ground Week" from 8<sup>th</sup> - 16<sup>th</sup> June 2019. We would like to invite you to join us at the Church of the Good Shepherd, on Sunday 9<sup>th</sup> June, at 6.30pm for a service where we will focus on "Caring for God's Acre". There will be refreshments and information in the Old School after the service.
