Wray with Botton Parish Council - Town Allotments

The Town Allotments consist of approximately 5 acres of pastureland on the Wray/Roeburndale West road. The Parish Council intends to offer the land with the benefit of a grazing licence, for agricultural use.

Having taken and considered professional advice, the Parish Council has decided not to invite sealed bids, but instead to indicate that it seeks the sum of £600 (six hundred pounds) per annum in respect of the land. NB: the Parish Council will not seek a share of any Single Farm Payment that the successful applicant might be entitled to receive in respect of the land.

Interested parties should contact Cllr. Keith Sykes (015242 21195) for further information about the land, and the terms of the grazing licence.

Applications for the grazing licence should be forwarded in writing to Shirley Worrall, Parish Clerk, by no later than 12 noon on Monday 16th April 2012. Envelopes should be sealed, and clearly marked 'Town Allotments'. All applications will be opened on the same occasion, by a group of three Councillors and the Parish Clerk. Please contact Shirley Worrall (015242 22502) for her postal address if you wish to submit an application.

Judging for the Thomas Huddleston Trophy will take place in the afternoon on the first day of the Festival, so please try to put your scarecrows out by the morning of Sat 28th April to be eligible and to ensure we have a good show for our visitors over the first weekend.
- * The **Car Boot** sale will be on Sun 29th April starting 8 am. There will be a dedicated Wray Stall to raise funds for the Institute. If you would like to donate any “saleable” items please take them to the Institute Snooker room between Monday 23rd and Friday 27th April.

- * On Thurs 3rd May, 7-9pm) there will be a **Classic “Bike” Night** at the Tearooms. Everyone is welcome to come along and if you have a classic vehicle (it doesn't have to be a bike!) why not bring it along with you.
- * **The Giant Scarecrow Parade** will be on Fri. 4th May (8pm). Paraders and spectators are all invited to come in fancy dress to add to the carnival atmosphere.
- * Another new addition to the programme will be a **Collectables Market** on School Field on Sun 6th May (11am - 4pm.) Details on the website soon.

Wray Scarecrow Festival & Fair - Car Boot Sale - Sunday 29th April Vintage & Collectables Market - Sunday 6th May

In addition to our established Car Boot Sale which takes place on the first Sunday of the Festival, our Vintage and Collectables Market is a new event which will take place in two of the marquees on the School Field on the second Sunday of the Festival between 11am and 4pm. We expect

to attract traders with a good range of vintage goods and collectables to provide additional interest for our visitors and to complement the annual Ball Race which takes place on the same day. Anyone is welcome to set up a stall if you think you have good quality items of any age which you think will be of appeal. Our stall rates at just £15 for a 6ft pitch are very competitive for this type of event. Entry to the market is free for all visitors and pre-booking of stalls is essential as we only have a limited number of pitches. Why not share a stall with a friend? Further details should be available on the village website in due course or you can email john@wrayhouse.plus.com or phone 015242 22101 for more information and bookings. Finally, please get in touch with anyone you know who may be interested in having a stall to help us promote the event and ensure its success.

Classic Bike Night - 2012 **Bridge House Farm Tearooms in Wray**
1st Thursday evening of the month from April to September, from 7pm to 9pm

Once again, this year we will be holding the very popular Classic Bike event at the Bridge House Tea Rooms in Wray. On some dates last year, we had over 70 machines turn up. Please come along, even if you don't own a Classic bike, for some, it is a trip down memory lane to see the machines of yesteryear, and for others it is a new experience, to see the difference between modern machines and machines of days of old.

On the 3rd May, we are inviting Classic Cars and Tractors to come along and enjoy the fun. This is because the date happens to coincide with the annual Wray Scarecrow Festival. All are welcome and we hope to see you there.

You can pick up a flyer at the Tea Rooms, or email me on osmc55@aol.com and I will forward you an electronic copy of the flyer.

Thanks, Peter Foster

The Queens Jubilee Celebrations

As you probably know, the Queen's jubilee this year will be marked by a special bank holiday, Tuesday 5th June. This is likely to be the day that many street parties throughout the country are held.

Wray Scarecrow Committee have decided that due to the timing of this event, it would be a good idea to incorporate the usual 'thank you barbeque' into a larger village celebration, saying thanks to everyone for their help and tolerance with the Festival but also ensuring the Jubilee is marked with a party.

In order to arrange a party for the village that will accommodate everybody, we need to start making arrangements now.

To this end a meeting will be held in Wray Institute at **7.30 p.m. on Tuesday 3rd April**. Anyone that would like to get involved, please come along. As a rough outline, the proposal so far is to use marquees on the School Field for a jacobs join party along with some games or other entertainment. This is just an idea and the details for all this need to be worked out, but it is a starting point.

If you have a view, or are able to help out beforehand or on the day please come to the meeting. Existing village organisations have all been invited.

The George & Dragon Angling Club

There are vacancies in the junior section of the George & Dragon Angling Club. Aged 7 years to 15 years.

Wray Pre-School & Forest School

Our small friendly pre-school specialises in childcare for children from 2 to 5 years old.

We are located in this beautiful village environment within the village hall. Our mission is to keep children at the heart of this rural community. We are a registered charity and a community based group involving parents at every level.

You may rest assured that your child is in the best care here with us. We are passionate about giving our children the best possible start: highly qualified pre-school staff including an Early Years Professional (EYP), dedicated forest school sessions on our own woodland site delivered by our trained forest school leader, small group sizes and an enclosed garden allowing children access to free flow play.

Ofsted deemed us as OUTSTANDING (June 2009) in our relationships with parents. Our parents say:

- * 'A very happy atmosphere.'
- * 'Relaxed, super-friendly staff, who care about the children.'
- * 'All staff are passionate about children's learning and well being.'

We are flexible and so there is no minimum booking requirement. Come and join us when you can. We offer sessions every day from 9am to 12pm with the option of lunch club from 12pm to 1pm Mondays to Thursdays. Our dedicated forest school day is Friday from 9am to 12pm.

Our sessions cost £3 per hour and you can also use your free Early Years Entitlement of 15 hours the term after your child turns 3. This can be used between 2 different settings.

We have places now. So why not drop in and see us? No need to make an appointment.

Give Gwen a call on 079 097 97 861 to find out more or just pop in and see for yourself.

B4RN LATEST NEWS

The community-owned, rural, gigabit Fibre To The Home project, Broadband 4 the Rural North, has passed another major milestone this month.

The Early Bird offer ended on 29th February, and B4RN CEO, Professor Barry Forde, is pleased to announce that sufficient shares have now been sold to commence the digging which will begin at the event on March 31st.

"We are delighted with the response to the share issue, which has surpassed even our highest hopes," said Professor Forde. "This proves that the appetite for investment and support of such community owned broadband projects is alive and well, and that solving the problem of rural broadband for the next generation is prompting people to invest even in times of economic hardship."

At the launch the local community will be celebrating the start of the dig. John and Andrew Metcalfe, local farmers, will be breaking the first sod, and are some of the many farmers who will be laying the ducting in order to buy shares in B4RN. "This will make a major difference to our community, and to me and my young family. As they grow they will be able to use the technology that children elsewhere take for granted, and we will be able to diversify our business through it. " says Andrew Metcalfe. The launch will be held at a local beauty spot that is half way along the first of the core routes. The dig will progress out from either side of the start point, and all 13 core routes should be live in 3 months, weather permitting. Subsidiary routes and spurs to properties will branch out from that. There has been so much enthusiasm that the management committee is considering whether to bring forward the timescale for later phases of the build.

B4RN is the only UK community offering gigabit broadband, meaning that consumers will have the opportunity to work, live and play faster and more efficiently than most places in the world. This forward-thinking, fully-fibred approach has been recognised as the optimal solution to the digital divide, and will encourage regeneration of this deeply rural area, bringing new jobs, opportunities and revenue to rural Lancashire.

The support of the local community has been key to B4RN's success to date, and there are many people and businesses within the area who will be earning their shares through sweat and labour as well as investing their money.

Prof. Forde stated, "This is where we can reduce the costs that a traditional telecommunications company would face, by using local skills and knowledge, working directly with the community, and being a part of it. B4RN is a 100% community project, with neighbours helping neighbours. The community spirit is strong in rural areas and B4RN is a showcase for that spirit."

Share ownership starts from £100, with 30% tax refunds available to anyone investing between £500 and £20,000 under the Government's EIS (Enterprise Investment Scheme), which makes it an attractive proposition for all investors. £1500 ensures a Foundation Membership with additional bonuses such as a free connection and one year's free subscription to the

gigabit service. B4RN's coverage area is close to the coast, the Lake District and the Yorkshire Dales, making it an ideal base for weekend breaks, holidays and the chance to explore some of the north of England's most beautiful tourist areas. External investors can nominate a property within B4RN coverage area for the free connection, including holiday cottages.

Full details of the share issue, including the business plan, are available on <http://www.B4RN.org.uk> along with maps of the coverage area and phases.

Wray with Botton Sports Committee would like to thank all those people who kindly donated Raffle prizes for our recent Domino Drive, and all those who came on the night. A profit of £187.20 was made, without your continued support the children of our village would not benefit from Sports Day which the Sports Committee run. The winner of the Domino Drive was Peter Edge.
