N.S.P.C.C.

Thankyou, for the help given to us over the past few months with our fundraising for the N.S.P.C.C. The House-to-House collection in Bentham, Burton & Wray raised a total of £1600.00 an increase on last year's collection, which seems to buck the nation-wide trend where donations to charities are falling. Over the two Bank Holidays in May we were also busy with our stall at Wray Fair and providing refreshments at Clearbeck House for their open garden at the end of the month. The total raised at these two events was £775.00

We take anything just come. One way of helping to raise much needed funds is to bring your wastepaper, cardboard, directories etc. to Lairgill Car Park, High Bentham on the third Friday of every month.

Two events in August. You are invited to come along to the Craven Branch Garden Party which we are hosting this year at Lakeber House, Robin Lane by kind permission of Mr. & Mrs. Jack Warbrick. This will be from 2pm to 4pm on Thursday August 4th. Entrance is by donation. There will be a cake stall, book stall, tombola, craft stall and raffle. We will be serving refreshments. On Saturday 6th August there will be a coffee morning in the Town Hall.

Our local branch of the N.S.P.C.C. is primarily a fundrasing group. The N.S.P.C.C. also funds CHILDLINE. If anyone has any concerns regarding the welfare of any young person they can in confidence contact the N.S.P.C.C. on 0808 800 5000. If you are a child or young person who needs advice you can telephone ChildLine free of charge on 0800 1111.

Lune Valley Police Report June 2011 by Pc 327 Carl Wood

Farm Crime

Scrap metal continues to bring a good price and as a result “rogues” from town are visiting farms more regularly asking for scrap. Farmers must continue to be vigilant at all times and report any suspicious behaviour of such visitors.

Diesel thefts have become prevalent over the last 6 months, farms, businesses and one school becoming targets for repeat thefts of substantial amounts of diesel from their insecure tanks. One such farm has been the victim of crime no fewer than 6 times in the last 2 years. Farmers must become more security conscious, one local farm that has improved its security can boast a sudden decrease in criminal activity at their farm. Farm security will save money, do you want to worry about replacing stolen items or increased insurance premiums?

Earlier in the year there were two substantial thefts of heavy/bulky items from open fields around the Wray area. The first being a heavy industrial woodcutter device and the second being a sheep dividing unit. Nothing was seen or heard from either incident and have both remained undetected.

Any farmer that wants to discuss their farm security or join Farm Watch should contact Pc Wood.

The main message that Pc Wood would like to get across to local residents is that crime is still low in the Lune Valley and that this area is generally a very safe place to live. He also encourages residents to report any suspicious activity immediately to the Police or to contact him with regard to any other police matter.
